Let's spread a smile this harvest-time!

The theme is about giving thanks, so let's see what we are thankful for through our Scarecrows!

Please keep to the social distancing guidelines while on the trail.

You can vote for your favourite 1st, 2nd and 3rd across ALL the Scarecrows -see overleaf.

As there are lots to see, we have put the Scarecrows into colour groups. Scarecrows are listed by road name overleaf.
